### Basket Weaving Mixed Beginner/Intermediate

Mixed beginner and intermediate basket class . You may specify a size and shape you would like, and the base will be provided for you. In class, you will weave up the sides, using the colors and patterns of your heart's desire. This class will be appropriate to either beginners or people making their second basket. Second timers may choose a different basket than their previous and/or if time add handles. (Handles need to be added fairly early in the process, so we will decide on a handle based on your progress.)

Cost: \$35

### Basket Weaving Intermediate

Intermediate basket class . Whereas the previous classes had a base provided - in this class, you will make your own base as well as weave the basket. There will also be an option for putting handles on your baskets.

Cost \$30

June 10

10:00 – 2:00

Plan on 4 hours to complete a basket. Smaller baskets may go a bit quicker.

Suggested basket shapes are

roughly 7 x 7 short basket that holds paper napkins— these are typically short baskets (3-4 in tall) and will take less time.

Roughly 5 x 9 basket that can be a tote or hold a box of Kleenex. These baskets are typically taller 5-7 in. and can take a bit longer to weave. Of course these baskets can be used for anything else as well. The intermediate basket makers can add handles to their baskets.

Roughly 7x7x7 in “taller” basket that may be round or square.
