Tour of Swanky Roots May 20th 11:00

Swanky Roots is a family farm in Billings growing lettuce and microgreens in a clean, controlled aquaponics greenhouse. Their mission is to make it easy to eat fresh, local greens in any season with aquaponics that conserves water, avoids synthetic pesticides, and delivers dependable crunch. The tour will last about 45 minutes and may be cancelled if the temperatures inside are too hot. The price per person is

\$20 for less than 10 members or \$10 for 10 or more.

Bagging Books

Joan Sleeth

Sleethsleethjoan@gmail.com

Club Garage - 1427 Custer

Monday, June 8

and

Thursday, June 11

9:00 - 12:00

All members are invited to come help bag books and brochures on Monday June 8th 9:00-12:00 and Thursday June 11 9:00-12:00.

I found out I have family coming to town the 9th and 10th so I am adjusting the days.

We will bag books at the garage. Please bring your own drink.

For new members there isn't a bathroom. Parking is limited so carpool if you can.

I will ask Scottish Rite if we can park in their back lot those days.

We were able to get done in 2 mornings last year. We have less books to bag this year so I am confident we will be done in 2 days. Please come for whatever time you can. I appreciate anyone who can help.
